

## Integrated Networking Sessions & Technical Assistance

Kent Smith and Lynn Johnson  
Regional Technical Assistance Coordinators

*Interactive sessions designed for districts and schools to further develop their behavioral and academic multi-level system of support*

### Description:

Developing an enduring and integrated system of supports requires planning with a framework in mind. The Wisconsin Rtl Center and Wisconsin PSIS network technical assistance coordinators will facilitate a series of interactive sessions that support implementation of an integrated PSIS/Rtl System. School and district leaders will receive technical assistance and opportunities to network with peers while planning for fidelity and sustainability.

### Who Should Attend:

District administrators, principals, Rtl coordinators, PSIS and content area coaches and educator leaders committed to implementing an integrated multi-level system of support that addresses behavior and academics

### Outcomes:

- Connect stakeholders
- Encourage collaborative learning
- Investigate strategies to integrate Rtl for academics and behavior (PBIS)
- Continue to develop schools' implementation of multi-level systems of support
- Gather resources and model processes
- Discuss technical and adaptive changes

### What to Bring:

- SIR/SAS/BOQ data or login information
- School action/improvement plan
