Based on the Network discussion last spring the following book has been selected for our book study this year: *Best Practices in Gifted Education: an Evidenced-Based Guide - A Book Study*, by: Ann Robinson, Ph.D., Bruce M. Shore, Ph.D., and Donna L. Enersen, Ph.D.

### **Learning Outcomes:**

1. Participants will read and discuss the implication of home, classroom, and school in establishing best practices for gifted education.
2. Participants will be given the opportunity to lead the group in discussing topics from the book.
3. Participants will be introduced to a number of evidence-based programs to use in the education of talented and gifted students.

*\$175/participant for non-GT Consortium members (checks or purchase order payable to CESA 10)*
