Initial Training Topics

The following topics will be covered during the training session:

- Background & History
- Health Hazards
- Medical Surveillance
- Personal Protective Equipment
- Operation & Maintenance Plans
- Asbestos-Related Work Practices
- Decontamination Procedures
- Record Keeping
- Designated Person Responsibilities

This course is the two-day initial course, which satisfies the OSHA training requirement for people who perform Class III asbestos activities.

About CESA 10

CESA 10 is a non-profit educational agency providing facilities management services to assist school districts and governments reduce energy project costs, become more energy efficient, and provide safe and healthy school environments. CESA 10 is actively looking for partnerships for its Energy Management and Performance Contracting service areas. CESA 10's Energy Management Service has saved over \$5 million in energy costs since program inception in 2004. CESA 10 is committed to helping the school districts of Wisconsin save millions more in energy and facility project costs moving forward. For more information on CESA 10's services including Energy Management Services, Owner's Representative Services, Performance Contracting, and Environmental Health and Safety, call 888-947-4701 or visit www.cesa10.k12.wi.us/fm.

CESA 10 Environmental Health and Safety Services assists school districts in providing a safe and healthy environment for students, staff, and visitors and in being in compliance with state and federal regulations.

CESA 10 Initial Asbestos Operations & Maintenance and Designated Person Training

Wisconsin Dells - January 29 & 30
Chippewa Falls - April 14 & 15
2014

Provided by CESA 10's
Environmental Health and Safety Program

Initial Asbestos Operations & Maintenance and Designated Person Training

CESA 10 is pleased to offer

Initial Asbestos Operations & Maintenance and Designated Person Training

This training is designed for people who encounter and/or disturb asbestos while conducting maintenance related activities during the course of their work.

This **two-day course** satisfies the training requirements for people conducting Class III activities per OSHA requirements.

Registration Cost for this training is \$350 per person. However, if your district currently has an Environmental Health and Safety contract with CESA 10, attendees will receive a \$50 discount for a total cost of \$300 per person. Lunch and snacks are included with the registration fee.

Training Dates and Locations

The training will be held as a two-day course on the following dates at the following locations:

January 29 & 30, 2014

Kalahari Resorts
1305 Kalahari Drive
Wisconsin Dells, WI 53965

April 14 & 15, 2014

Sleep Inn and Suites
