There is required pre-work that you will be informed about through email prior to training. This will allow time during the training day for lots of hands-on practice in carrying out the requirements of Indicators 6, 7 & 12 through the lens of the IEP process. The training day will also include policy information and opportunity for Q&A.</p>	Oct 8, 2013	CESA 2, Whitewater	http://login.myquickreg.com/event/event.cfm?eventid=6923
