

## Autism Workshop:

Sponsored by CESA #3

# Instructional & Behavioral Strategies for Diverse Learners Early Childhood – Third Grade

Southwest WI Technical College  
Lenz Conference Center – Room 365  
Wednesday, April 16, 2014

In this presentation, Kate McGinnity, will focus on instructional strategies for students with autism and related disorders, ages EC through 3<sup>rd</sup> grade. Participants will leave with a better sense of who their students with autism and related disorders are as learners and processors. Evidence-based practices that are tried and true will be presented in a practical, hands-on manner. Come prepared to move and have fun!

### About the presenter:

**Kate McGinnity, M.S.**, is an experienced classroom teacher, trainer & author as well as a nationally recognized consultant in the field of autism. She has over 30 years experience working with individuals with autism and their families. During her tenure as a teacher, Kate was recognized as the Wisconsin and National Teacher of the Year by the Autism Society of America. Kate and her husband foster parented an adolescent with autism for several years until he reached adulthood. She is currently involved in private practice providing training and consultation to professionals and parents as well as collaborating, counseling and yoga to individuals on the autism spectrum. Kate has been a core trainer and developer for the Wisconsin Statewide Autism Training project through DPI for over 25 years. Kate is the co-author of the following books/DVD's, available @ cbrpress.com: *Walk Awhile in My Autism* and *Lights! Camera! Autism! Using Video technology to Enhance Lives*. Kate is committed to bringing her passion and compassion to every aspect of her work and life.
