This 8-day series of workshops provides school administrators and effectiveness coaches the opportunity to learn and practice together. Participants will complete the Teachscape FOCUS modules preparation for the Teachscape Certification Proficiency Exam. This includes watching teaching videos online and discussion.

This seminar series offers participants an opportunity to learn in a Professional learning Community setting. PLC participants will view classroom videos, work various activities aligned to the Danielson rubrics, and discuss their learning with one another. Completion of the on-line Teachscape FOCUS modules prepares participants for the Teachscape Certification proficiency Exams. The series is facilitated by EE Implementation Coaches.

Areas of Focus (by day): Domain 2 and 3 of Danielson Framework

Day One: Overview-Review of the Danielson Framework using the Teacher Process Manual and EE Flowchart. Discussion of rater’s personal bias and possible solutions, and how to collect evidence, fact versus judgment.
 Domain 2: a) Classroom Environment

Day Two: Domain 2 b) Establishing a Culture for Learning and c) Managing Classroom Procedures

Day Three: Domain 2: d) Managing Student Behavior and Domain 3: a) Communicating with Students

Day Four: Domain 3: b) Using Questioning and Discussion Techniques and c) Engaging Students in Learning

Day Five: Domain 3: d) Using Assessment in Instruction. Summary: Putting It All Together

Day Six: Practice Scoring

Day Seven: Certification Proficiency Test – Stage 1

Day Eight: Certification Proficiency Test – Stage 2
