BUILD A PLN

CESA 3

May 9, 9:00 a.m. - 3:00 p.m.

Social media is growing exponentially every day. Leverage these powerful tools to develop a network of like-minded professionals that you can access nearly on-demand! You'll learn how to develop a Personal Learning Network (PLN). You'll experience how Facebook groups, Twitter, Google Communities, Google Hangouts and LinkedIn can quickly connect you to professionals all sharing common causes. After this workshop you'll be able to utilize social media to grow as a professional!

Pre-requisites-Bring your own device (laptop preferred)
