# SLOs for Career & Technical Education

- Who:** Intended for all K-12 Career & Technical Education Teachers
- What:** A workshop to help CTE teachers review newly revised Wisconsin CTE Standards, identify assessments for baseline data, and practice creating Student Learning Outcomes for CTE courses.
- When:** This one day workshop will be offered on two separate occasions:  
**Monday, April 14, 2014**  
**Wednesday, May 7, 2014**
- Where:** CESA 5  
626 E. Slifer Street  
P.O. Box 564  
Portage, WI 53901
- Why:** CTE teachers have unique challenges and opportunities in the development of SLOs. This workshop is intended to help CTE teachers to understand the balanced assessment system, see sample CTE SLOs and network with other CTE teachers regarding the Educator Effectiveness System.
- Contact:** Joel Mindham  
Career & Technical Education Coordinator
