About the presenter:

Rhonda A. Lettington, M.S., LMHC., ACADC, NCC, has spent the past 30 years working with children, individuals, and families. Mrs. Lettington is a Licensed Mental Health Counselor through the state of Iowa. She also is an Advanced Certified Alcohol and Drug Counselor, a member of the American Counseling Association and the National Board of Certified Counselors (NBCC). Mrs. Lettington currently practices in Northeast Iowa, where she specializes in trauma, children with attachment issues, and chemical abuse/dependency. She has received a Bachelors of Science Degree in Psychology from Upper Iowa University, a Master of Science Degree in Community Counseling and a Master of Science Degree in Professional Development, both through Winona State University in Minnesota. To further assist her clients, she has been trained in Eye Movement Desensitization and Reprocessing (EMDR) and Healing Touch. Mrs. Lettington and her husband have been treatment level foster parents in Iowa and have adopted three RAD children. Her passion to assist and educate individuals on trauma issues has led her on a personal and professional journey of research to understand and treat families and individuals with these issues.

Audience: All Educators, Parents, School Psychologists, Guidance Counselors, Related Service Personnel, Principals and Administrators
