

Great Expectations: How to Help Students in Poverty Succeed!

This interactive workshop will provide both a clear understanding of the behavioral and academic challenges that students living in poverty may bring to the classroom and specific strategies to boost achievement and improve classroom performance. Homeless Liaisons from the School Districts of Beloit and Janesville will bring you information from educational experts in poverty.

Date: Thursday, May 1, 2014

Time: 12:00-4pm
