

Introduction to the SCERTS® Model

SCERTS® (Social Communication, Emotional Regulation, Transitional Support) is an innovative educational model for working with children with autism spectrum disorder (ASD) and their families

August 3-4, 2009

8:30am - 3:30pm (8:00-8:30am Registration)

Cedar Valley Center, 5349 County Road D, West Bend, WI

Presenter: Emily Rubin, MS, CCC-SLP

This two-day course will provide an introduction to the SCERTS model, a comprehensive, multidisciplinary educational approach designed for children with Autism Spectrum Disorders (ASD) and their families. The model was designed to provide guidelines for helping children progress through the stages of becoming a competent social communicator. Families and educational teams will learn about essential interpersonal modifications, environmental arrangement, and visual supports and how they can be embedded in natural, functional and meaningful contexts.

Registration Fee: \$175.00 (Includes breakfast and lunch both days)

SCERTS manuals will be available for purchase at the workshop.

Graduate Credit: 1 graduate will be available. The fee is \$200.00 in addition to registration fee and is due on the first morning of the course.
