

# SMART Inclusion

## Part 2

**DO YOU WANT TO HEAR MORE ABOUT  
THE SMART INCLUSION MODEL IN  
CANADA PRESENTED BY ALEX DUNN  
IN APRIL?**

August 19-20, 2010

8:30 am—3:30 pm

CESA 5

Portage, WI

This two day follow-up session continues the dialog and examples of the successful model using SMART Boards and technology in conjunction with traditional "Special Education" software (Boardmaker Plus, Intelli-Tools Classroom Suite, etc.) for students with significant special needs included in general education classrooms. This 2 day session will include both theory and hands-on practice using the SMART Board with Special Education software.

**Alex Dunn**, Upper Canada District School Board, and **Tania Mason**, Learning Resource Coach at Glen Tay Primary School, will share:

- ⇒ How they use The Participation Model successfully to draw in regular education teachers
- ⇒ Implementation strategies for students who need visual supports, physical access, cognitive scaffolding, language support (including participation using AAC devices)
- ⇒ Adapting and modifying SMART activities to meet the needs of all
- ⇒ Adapting specialized programs and websites to meet the needs of general and special students in the classroom
- ⇒ Hands-on activities using software and SMART Boards
- ⇒ Help in developing your own implementation plan for a Wisconsin SMART Inclusion!
