

Effectiveness Project

Training Event through CESA 9

Initial Effectiveness Project (2 Day) Training (9850) August 11 & 12, 2014 8:30 am - 3:00 pm each day CESA 9, Tomahawk

During the first day, we will review the Educator Effectiveness Project evaluation process and handbook for the evaluation of PK-12 teachers. Participants will walk through the teacher evaluation process including an overview of the system, a look at the Performance Standards and Performance Indicators, as well as the data sources used in the evaluation process.

The second day training session will focus on the documentation of evidence process for classroom teachers using video vignettes of teachers. The second part of the day will include the process used for evaluating educational specialists in school districts.

Audience: Superintendents, principals, and other central office staff involved in evaluations

Presenter: Dr. Becky Collins, CESA #9

Cost: Free
Includes lunch and materials

CESA Contact: Dr. Becky Collins (bcollins@cesa9.k12.wi.us)
