Why Continuing Support?

The potential of LLI lies not in the purchased materials, but rather in the expertise of the teachers. This network continues to build the knowledge, skills and dispositions critical to produce student acceleration with sharp slopes on progress monitoring charts.

Network Member Benefits

- Face-to-face workshop afternoons to debrief lessons and anchor observations, hypotheses and theories in professional resources by Marie Clay, Irene Fountas and Gay Su Pinnell.
- Monthly one-hour after-school instructional webinars to engage in deep exploration of specific topics and issues.
- Web-based community to share ideas and resources.

Goal

To support teachers, administrators, and schools to realize the following potential impact of LLI

- Accelerate the lowest performing readers to be achieving at grade level by the end of one school year.
- Eliminate the number of “repeat customers” of Title One.
- Significantly reduce the Learning Disabilities population due to reading difficulties.
- Qualitatively raise the profile of your bottom quartile readers.
- Enhance the rigor of classroom literacy instruction.
