Building Expertise I

WOW #3

JAN 27 or 28, 2016
Building Expertise II

WOW #4

APR 26 or 27, 2016
Looking Back & Ahead

EDUCATORS! We believe in improving educational outcomes for Wisconsin students by supporting YOUR professional growth and development. We believe in you so much, in fact, that we've put together a line-up of internationally recognized educational movers and shakers to inspire you.

And here's the kicker: it's FREE.

WOW ("Working On the Work") is a 4-part training series designed to help you and your team of colleagues deepen understanding, achieve consensus, and build strategies around local implementation of Educator Effectiveness. Regardless of which Educator Effectiveness model your district uses, WOW is for you.

WHO SHOULD ATTEND? One or more educator teams from YOUR school district! WOW workshops will connect educators across the state using a combination of onsite and virtual delivery strategies. We'll review gains made during the Educator Effectiveness implementation year and plan purposefully for continued growth using a distributed leadership approach. We can't wait to see you at WOW!

Katharine Rainey
Director, Wisconsin Educator Effectiveness System

Grad Credit Available!
Contact your CESA Rep for more info.

How to Register for WOW

LOCATION

All events will be held at your local CESA or a nearby location.

TIME

9:00 am - 3:00 pm

YOUR TEAM

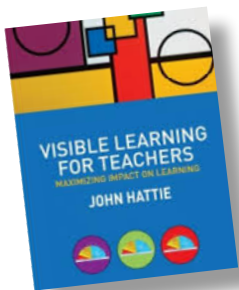

Identify 4-6 educators in your school/district who are interested in deepening the work of Educator Effectiveness using a distributed leadership approach. *Districts/schools may send more than one team as space permits*

Team members are requested to commit to the full series (4 dates) when registering, as the events build upon one another. There are two possible dates for each event; your team chooses the dates that work best. *In the event of scheduling conflict, some team member substitution will be permitted.*

CALL

Contact your local CESA for registration information.

**As a TEAM, CHOOSE
4 DATES**
(1 per session)
9:00 am - 3:00 pm

All attendees receive a free copy of *Visible Learning for Teachers* by John Hattie
